

Divina 21

COMPOSITION

Each tablet contains:
Drospirenone 3.00 mg. + Ethinyl Estradiol 0.030 mg.

DRUG ACTION

Oral contraceptive.
Regulates the menstrual cycles.
In addition to birth control DIVINA 21 provides the following benefits:

- Bodyweight remains stable or decreases slightly.
- Acts on the skin making it more beautiful and healthy.
- Decreases the incidence of discomfort before and after the menstrual period.

DOSAGE

Start the treatment with DIVINA 21 on the first day of the cycle (first day of menstrual bleeding).
Take one tablet on a daily basis for 21 days. After a 7-day rest period, on the 8th day continue with a new package of DIVINA 21.
Tablets should be taken at about the same time each day to minimize the risk of skipping doses.

PRESENTATION

Each package contains 21 tablets.
